
SECOND or THIRD SHIFT DIESETTERS

Precision Compacted Components in Wilcox PA is actively recruiting Diesetters to fill open second and/or third shift positions.

Interested applicants must have 5 or more years' experience setting up Gasbarre, Cincinnati, and hydraulic presses up to 400 tons. Applicants should also possess problem solving skills and be able to function as a team member.

PCC offers health insurance, 401K, vacation, paid holidays, profit sharing, and highly competitive wages. \$3,000 sign-on bonus available to qualified new hires. Building expansion, equipment additions, and new product launches also provide great opportunities for career advancement and development.

If you are interested in a fast paced, team environment, and posses the necessary skills, please forward your resume to:
